## Player Placement Policy

Grafton City Soccer Club follows a process for the placement of players in teams each season.

On completion of the sign-on period, the club's Team Selection Committee convenes and places players into teams, with consideration given to previous team affiliation, player strengths and numbers available for an age division.

The Team Selection Committee submits their placements to the club's committee for approval at a General Club meeting.

**ALL** club members are invited to attend this meeting to view team lists and raise any queries at that time. At the conclusion of the meeting, team lists are finalized for the season.
